

Attention Running Club Participants

Dismissal Procedures:

Parents:

We are so excited about the 2019-2020 Running Club season! We will use the same dismissal procedures as last year. At approximately 3:40, we will begin directing students off the track and toward the field where they have stacked their backpacks. Parents must walk to their child's area and sign him/her out every week! The clipboards will be sitting on the bench or a table next to the children. Find the correct clipboard (they are arranged by grade) and sign your child out. This must be done by 3:45.

If you choose to allow your child to walk or ride a bike home from Running Club, be aware that there are **NO** crossing guards available to escort students across the street. If you choose to have your child walk home, indicate that in the box below. **Note: No student will be permitted to cross Youree Drive. These students MUST be retrieved by a parent.**

Please complete the bottom portion of this letter and return it to your child's teacher.

Child's Name: _____

_____ I will pick up my child each Wednesday, after Running Club, no later than 3:45.

_____ My child will be released to YEP on Wednesday afternoons, after Running Club.

_____ My child will be released to another after-school activity on Wednesday afternoons, after Running Club. Indicate name of activity: _____

Parent's Signature: _____ Date: _____

_____ I would like for my child to walk home each Wednesday afternoon. **I understand the inherent risk due to there being no crossing guards to escort him/her across the street. I release Caddo Parish and A.C. Steere Elementary from all liability from this decision.**

Parent Signature: _____
